

VACANCY

Job Title: Project Manager Airbus

Take the lead in the development of tailored Airbus training programs for our various customers.

This will be a long-term position requiring travel in and outside the EU when needed.

For this position we have the following minimum requirements:

- Right to work and live in the EU.
- Valid ATPL
- Current on Airbus A320/330/340/350
- Total time PIC on Airbus type 10000 hours
- TRE/TRI
- Experience with the development and implementation of EASA training programs

We offer:

- Maltese employment contract based on 40h/week.
- 28 days of annual leave
- Worldwide medical insurance
- Company accommodation in Malta
- Salary package commensurate with the experience of the candidate

Please apply on careers@conceptaviation.mt with CV and Cover letter.
