

VACANCY

Job Title: Airbus Training Consultant

For our well established airline customer Concept Aviation Malta Ltd is looking for experienced Airbus Training Consultants to assist in the development of their inhouse training.

This will be a long term position requiring travel in and outside the EU when needed.

For this position we have the following minimum requirements:

- Right to work and live in the EU
- Valid ATPL
- Current on Airbus A320/330/340/350
- Total time PIC on Airbus type 5000 hours
- Preferably TRE/TRI or experience in operating as a Line Training Captain
- Experience with the development and implementation of EASA training programs

We offer:

- Maltese employment contract based on 40h/week.
- 28 days of annual leave
- Worldwide medical insurance
- Company accommodation in Malta
- Salary package commensurate with the experience of the candidate

Please apply on careers@conceptaviation.mt with CV and Cover letter.
